

Registration for co-op courses for the winter 2021-2022 co-op year. Registration opens at 9 AM on Thursday, November 11. You have until Tuesday, November 23 at 10 PM to register, though we may reach our maximum enrollment before the close of registration. There will be no late registrations.

- Be sure to download a final course schedule from the [dwcoop.net](http://dwcoop.net) “Class Schedules and Lists” tab before you register. We may have had a few changes so you will want to use that schedule to select your courses.
- **Please make your selections carefully because no changes will occur at the September 2 Orientation meeting.**
- Please plan to view the refresher video to make sure we are all on the same page before you register. During the registration process, you will need to indicate that you have watched this 8 minute video. Here is a link to the video because we recommend you watch it before registration opens.
  - <http://youtu.be/CBWPSM0Eifw>

If you experience any difficulty with registration, please email [info@dwcoop.net](mailto:info@dwcoop.net) and our computer genius will get back to you as soon as possible.

Once registration opens, follow the steps below.

1. Login to <https://dwcoop.net>.
2. Go to “My co-op.”
3. Click on the green “register” button.
4. Read through the agreement and click the green “agree” button (that agreement is available on the website).
5. Complete your registration(s).
  - You will register your students for a fall and winter term course (even if it’s the same course for both terms). Notice that the Fall and Winter Registration sections are separated by a blue identifying bar.
  - Remember to select a second choice for every course.
  - Remember that W-FPR means that particular Winter Term course requires fall enrollment in the corresponding fall term.
  - A note on A and B Week course selection for students in grades 7-12.
    - Click the green “enroll” button, pick your first and second A Week choices, then click “Add”. Then, click “enroll” again, Pick your first and first and second B Week choices and click “Add”.
    - Follow the same process for both Fall and Winter Terms (choosing the same courses for both terms).
6. Go back to “My co-op.” You should see a list of your children on the left side of the screen. Your students’ classes are organized by each student’s name. Confirmed enrollments are under the “Enrolled” sections. Any second choices or waitlist classes are in the “Pending” sections.
